Theme: Stirrup Some Fun!

August 5-8, 2020

Letter to Exhibitors

Welcome exhibitors, families, friends and fairgoers! We continue to work on various projects throughout the fair, including work on the land north of the fairgrounds, so that we can use this property to its full potential in the future. We continually update and repair the buildings and grounds so that exhibitor use is maximized and that we provide the community a great experience. New volunteers and individuals interested in serving on committees or helping with specific projects are always needed. If this is something that interests you, let a board member know! We appreciate all of our wonderful volunteers and exhibitors who put in extra time and effort to ensure a great fair and beautiful fairgrounds. Thank you for your support. We hope you enjoy the Yakima Valley Fair & Rodeo.

Code of Conduct

By completing the online entry form, all exhibitors, parents, supervisors, and the involved parties are agreeing to the following Code of Conduct.

As a student or adult participant in the fair, I will:

- Be a positive role model for all 4-H & FFA youth, exhibit good sportsmanship, and treat others in a courteous and respectful manner. I will not attack or harass others.
- Use language that is respectful and kind to others; communicating (verbal, written and electronic) with youth and adults in an open, honest, caring manner. This includes refraining from using abusive, obscene, disruptive and/or discriminatory language.
- Refrain from the use of any illegal substances including, but not limited to, alcohol, tobacco, and e-cigarettes.
- NOT engage in any other behavior that is illegal, unsafe, does not support the mission of 4-H or FFA or negatively impacts these programs by being uncooperative, uncivil, disrespectful, or disruptive.

As an exhibitor at the fair:

- I accept responsibility for the proper care and treatment of my animals, the production of wholesome food, and the development of sound ethical behavior in myself and others.
- I believe that my participation in the 4-H or FFA Program should demonstrate my own ability, knowledge, and skill in feeding and preparing my livestock project for show. I will do my own work and accept only advice and support from others. I understand that I may be expelled from the show if a leader or parent fits or shows my animal.
- I will not use abusive or questionable techniques in the feeding, fitting and showing of my animals. I will not use fraudulent, illegal or deceptive practices when fitting them for show. I also will not allow my parent, my supervisor, or any other person to employ such practice to my animal.
- I will read and understand the rules of the Yakima Valley Fair & Rodeo in which I am a participant. I will not allow my parents and the supervisor of my project animal to break the rules or make exceptions on my behalf. I wish to be an example of how to accept what life has to offer – good and bad – and how to live with the outcome of exhibiting my livestock project.

Failure of an exhibitor to comply with the rules of conduct shall result in forfeiture of all premium money and/or removal of exhibitor and their stock from the show ground
